SAMPLE GENERAL PRICE LIST

Effective September 1,2026 subject to change without notice.

Introduction:

The goods and services shown below are those we can provide to our clients. You may choose only the items you desire. If legal or other requirements mean you must buy any item you do not specifically ask for, we will explain the reason in writing on the statement we provide describing the funeral goods and services you selected. When both casket and service are selected, we provide discounted choices for certain service selections. Prior to drafting any contract for goods and services, the responsible party of the decedents survivor who is handling funeral arrangements is entitled to receive a copy of any preneed agreement in the possession of the funeral establishment that has been signed and paid for, in full or in part, by or on behalf of the decedent.

Professional Service Fee:

We charge a fee for our initial services. This fee is for our basic services and is already included with the price of our caskets. This same fee of $2,700 will be added to the cost of your funeral arrangements if you provide the casket. It includes such costs and services as availability for your initial inquiry and consultation, coordination and direction of Arrangements, Services and Disposition. Also included are the use of common facilities, equipment and necessary supplies for services and completion of the appropriate documents including California State registration of death, a county permit for disposition, and preparing of requests certified copies of the Original Certificate. No taxes, merchandise, limousine, cemetery or crematory fees or third-party charges are included unless clearly specified.
